The students of the middle block presented short cultural performances and songs to give the delegates an insight into Indian culture. The students also offered some of the most sumptuous delicacies to the delegates. They also prepared special questionnaires for an interview with the delegates. This session gave everyone an opportunity to not just learn but also experience another culture.

### **DAY3 : CULTURAL PERFORMANCE**

Spic Macay Society of Modern School organized a spell-binding dance performance celebrating Odissi exponent by Ms. Kavita Dwibedi along with other renowned artists to make all international delegates aware about the fabled performing arts of Indian Heritage. The delegates were overwhelmed by the beautiful ‘Odissi Abhinay’. In an interview after her performance, Ms. Kavita Dwibedi said, “It was a pleasure performing for the students who had come from different countries. As the theme was ‘Inclusive Growth’, I feel that dance and music are the best examples of inclusive growth. The swara - laya-taal brings the perfect harmony within self and that in itself is inclusive growth”.
