The Republic Of Love (An Operetta)

On 28th September 2018, a group of fourteen students, accompanied by Mr Arindam Das Gupta, Ms Shalini Dahiya, Ms Anjali Gupta Chhabra witnessed an Operetta- **The Republic Of Love** at the Information Centre (Lotus Temple). It was sung in Spanish, with scenes in English. The Republic of Love is a romantic comedy-drama directed by Deepa Mehta. It premiered at the Toronto International Film Festival in 2003. The Neemrana Music Foundation organized the show. The students enjoyed this beautiful operetta and learnt the art of the strong tradition of spoken drama of Spain.

IC3 Symposium and Fair

On 27th August 2018, thirty students of S6 and S7 attended the IC3 fair and symposium held at Modern School Vasant Vihar accompanied by Ms Shalini Dahiya. It was an amazing learning experience for the students. The event comprised of breakout forums, workshops and interactive sessions with over sixty universities from around the world which included some of India's top universities like Ashoka and Shiv Nadar. The symposium incorporated subjects from all the three streams that is Science, Commerce and Humanities. It also gave an overview about individual subjects and their applicability in making a career choice.

ENTHUSIASTIC PARTICIPANTS

Cancer Awareness Talk

The Indian Cancer Society conducted a cancer awareness workshop for the members of the staff of the Senior Block on 17th September 2018. The resource person Dr Inderjeet Singh Sethi, Director, Cancer Society, Delhi elaborated upon the causes of cancer. She emphasized the fact that diet, lifestyle and environmental factors contribute to the causes of various cancers. A volunteer who was a cancer survivor herself shared her experience about the challenges and problems one faced while suffering from the disease and how to combat them and emerge as a survivor.

ISSUE- 132, 30th September 2018 TO 6th October 2018

37 students bring Google initiative to Modern School
TEACHERS AT THE WORKSHOP

“Google CS First” is a student initiative to teach middle school students basics of Game Designing with Scratch, a software by MIT. Harsh Gupta (S7-C), Abhigyan Singh (S7-C), Arjun Harbhajanka (S7-C), Aditya Shankar Agarwal (S7-I), Nirbhay Kwatra (S7-H), Aditya Sarkar (S7- D) along with Smayan Marwaha (S6-J) organised this 200+ students workshop, which concluded on 3rd August 2018, to teach students from classes S1-S4. The basics of games such as Flappy Birds and Temple Run were thoroughly explained through video lessons and hands on experience. The students were given E-certificates from Google and they received online badges on Scratch on the completion of the project.
