## RUN-UP TO THE 99<sup>th</sup> FOUNDER'S DAY

**Principal Dr Vijay Datta with the Creative Wing students and teachers during the 99<sup>th</sup> Founder's Day preparations.**

The year 2019 witnessed the flagging-off of the Centenary year celebrations of Modern School, Barakhamba Road. The students, faculty and other members are energetically geared up for the 99<sup>th</sup> Founder's Day, the penultimate to the 100<sup>th</sup> Founder's Day. The School Orchestra has been working hard to strike a perfect blend of Indian and Western musical instruments- creating a symphonic fusion of Indian and Western melodies. With the soulful *tunes of guitars and sitars*, the melody is sure to leave the audience spellbound.

Students participating in the orchestra are practicing to attain rich sonic tapestries that seamlessly express the confluence of variegated global musical forms.

The ballet practices are in full swing as well. Modern School's graceful dancers have been rehearsing tirelessly to put up a best show on the second part in the trilogy of **'Footprints on the Sands of Time,'** the highlight of the show tracing the history of India's glorious past. The teachers and the students are relentlessly putting their best efforts to make the show a grand success.
