MODERN GOES THE MODERN WAY

The students of S4A and S5C batch of 2015-16 had their formative assessment at the 'Science Park'. The new exhibits added a feather in the hat of our school's science park. Exhibits such as-'Magic of trigonometry, learning the concepts of correlation between the angles, base, hypotenuse and perpendicular of a triangle. A game 'Tower of Hanoi' in which the patterns lead to formulae.

In another exhibit under BALA (Building As Learning Aid), the students drew and wrote the elements on ceramic tiles which were installed on the boundary wall of our school. Here students not only learnt about atomic number and mass number but also the students learnt where elements exist and their uses. Above all, the students experienced activity based learning also meaningful knowledge gain.

Principal, Dr Vijay Datta discussing the formative assessment activity with the students.

S5 Students at the science park.

MIDDLE BLOCK BOARD GROUP

The board making group of the middle school of our school has prepared various bulletin boards based on different themes. The board team consists of Ms Divya Sharma , Ms. Shalini Dahiya and middle block students Suhasini Jain S3B, Ananya Sharma S3B, Shyamli Chugh S3B, Moira Sachdev S3D and Ishita S3D. The group looks forward to present even more beautiful boards in future and thank Headmistress Middle block Ms. Usha Nair and Principal Sir, Dr. Vijay Datta for their enormous support and encouragement.

The boards add a dash of colour and a lot of cheer

DIR NEWS

Shivani Aggarwal of s6 has made the interact club of modern school barakhamba road and her alma matter really proud by being selected as the dir among a large number of students from all over delhi. the dir is a very special post and stands for district interact representative. the dila (district interact leadership assembly) was held on this date, 30th september 2015 and shivani was formally installed in the presence of over 800 students and numerous important dignitaries. Shivani then gave a formal speech outlining the objectives of the year for all interactors.

IPSC YOGA 2015 – MAYO COLLEGE, AJMER

This year our school participated in the 10th All India Yoga IPSC Championship at Mayo College and Mayo College Girls School, Ajmer. It began with a delightful opening ceremony in which our captains Shivangi Menon S3A and Verdaan Jain S4 D introduced our school to the chief guest and took a pledge. Our team performed very well . The award winning students were: Verdaan Jain (U-19 rhythmic yoga) – Bronze , Shivangi Menon (U-19 rhythmic -Silver Karan Anand (U-17 rhythmic yoga) – Bronze and Sahira Singh (U-17 rhythmic yoga) – Silver.

PROJECT CITIZEN 2015

Project Citizen is an initiative which proposes changes to public policy which can have a positive impact on our environment and surroundings.

Poster on the theme.

This year, the Project Citizen team from Modern School selected urban sanitation as its topic. Over a period of time the team explored solutions to the problem of inadequate sanitation, discussed these with concerned officials, and ultimately devised a comprehensive action plan to improve sanitation systems. After preparing a detailed report and painstakingly rehearsing their oral presentation for days, the student team arrived at Ramjas School for the National Showcasing of their project.

Participants of project citizen.

The presentation was a success as the students eloquently and precisely detailed the work they had done over the past few months, and also explained what they proposed to do in the future.

After spending four hours waiting with bated breaths, all the students were overjoyed at the result – Outstanding Overall Presentation, in essence the first prize, was awarded to none other than Modern School! Everyone was in a cheerful and elated mood, Project Citizen was an enriching and fruitful experience.

The winning trophy.

Mrs Sonia Kapoor with the project citizen winning team.
