TRAINING SESSION BY MUN SOCIETY

Modern School's MUN Society organized a 3-day training session from May 18th to May 20th. The session was designed to familiarize the new members of the Society with MUN procedures and technicalities, which are often the most confusing aspects of MUN's. Students invited for the Training Session were selected on the basis of group discussions and interviews conducted by senior members of the Society. Eighty students were selected through this screening process.

INTRA MUN was organized from July 1st to July 3rd. The purpose of the meet was to make students put principles into practice. The new recruits from S4, S5 and S6 were divided into 2 committees - the General Assembly and the Human Rights Council. The agendas for the committees were 'Combating the Proliferation of Weapons of Mass Destruction, with Special Emphasis on the Middle East' and 'Economic and Post-Conflict Reconstruction with Special Emphasis on the Status of Refugees' respectively. The committees were presided over by students of S7 and ex-Modernites, who used their experience to guide their younger counterparts. The juniors walked away from the Training Session and Intra with a competitive edge that will surely hold them in good stead in future Conferences.

Awards were presented in recognition of the best performances seen over the three days of committee work. Awards were given for both committees. The awards were as follows : General Assembly:

Best Delegate: Nitya Jain, S4 (representing the United States of America)

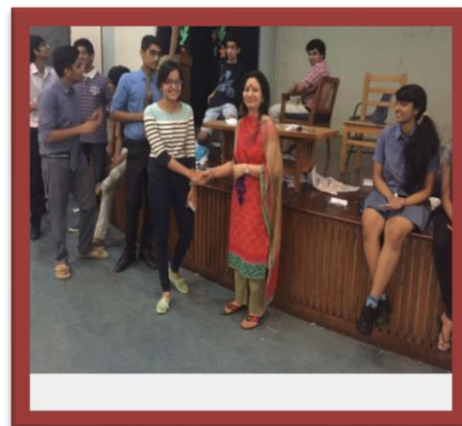

High Commendation : Sidhant Kapoor, S4 (representing Spain)

High Commendation : Eshaan Minocha, S4 (representing Syria)

Human Rights Council:

Best Delegate: Manya Bansal, S5 (representing the United States of America)

High Commendation: Abhinav Aggarwal, S5 (representing China).

BUSINESS STUDIES INDUSTRIAL VISIT

In the warm month of May, the students of class S7, accompanied by their teachers, embarked on industrial training expeditions . The students were divided into three groups, each of which made way to an industrial unit, where they gained an understanding of the working of the Principles of Management.

The first group, along with Mrs Jaya Khurana, visited SHIVANK UDYOG LTD., a business firm located in Gurgaon, dealing in the export and import of garments and accessories. The systematic processes of Dyeing, Cutting, Knitting, Washing and Sampling are conducted in a well-coordinated manner by the company.

The second group, ushered by Mrs Payal Mathur visited an industrial manufacturing unit and corporate office of Jindal Rectifiers, located in

Faridabad, Haryana. JINDAL'S is a well-known group of companies specializing in the design, engineering & manufacture of varied energy-efficient equipment. It is the pioneer & the undisputed market leader in the field of Industrial Voltage Stabilizers and Rectifiers in South Asia, since last four decades.

The Third group, in the company of Ms Pooja Bahl, visited RAJDHANI SYNTEX PVT LTD, located in Pace City 2, Gurgaon (Gurugram). The factory deals with the production, packing and sale of bed mattresses, and also conducting processes from the making of synthetic fibre to converting it into water proof mattresses.

All three groups, at their respective sites, inquisitively participated in conversations with the company's management to get information regarding the various concepts of business that they had learnt about in school, and deciphered their application in real life situations. The keen students witnessed the active working of the *Scalar Chain*, *Centralisation and Decentralisation*, *Esprit de Corps*, and many others. They, along with their mentors, tried to establish a link between the theory and practice of various principles of management.

At the end of the session, all the students discussed the application of the theoretical principles in real life. The field visits established an enriching experience for the students as they got an opportunity to observe, understand and analyze the grass-route realities of working of industrial units.

INTERNATIONAL STUDENTS CONFERENCE AT MALAYSIA

Modern School Barakhamba Road was invited to the 7th SGGS Malaysia for International Student Conference to represent India at this esteemed event. Five Delegates Dr. Prem Prakash Vermani (Teacher) ,Akash Aggarwal ,Bharat Mukim ,Priyank Nangia , Shubham Gupta represented our school.

On the 27th of May, 2016, the delegation departed from the New Delhi Airport for the 7th St. George's Girls' School International Students' Conference, 2016.

The opening ceremony included cultural dance performances and regional songs for entertainment. Dr Vermani presented a paper on "The Best Teaching Practices in Modern School" during the teachers session which was highly appreciated. The conference was truly an enriching experience for the modern school delegation.

FASHION SHOW AT MODERN SCHOOL

Fashion is a statement , an expression, an extravaganza, a wanderlust, a fiesta, a luxury, fashion is bling, fashion is blitz, all in all fashion is the celebration of style, the celebration of one's personal statement and the celebration of life. Fashion is showcasing your creativity, your aura and your versatility. This year Modern School showcased the talent of its young and versatile fashion makers. The genre that was showcased was Indo-western. We got to savour a dose of traditional Indian cloth used for contemporary styles. Indo-western designs in typical Indian fabrics like Tanchui, Banarasi, Georgettes, Crepes, Chikankari and cool Cottons were blended with contemporary designs. Beautiful and exquisite dresses stole our hearts away. The fashion show was a tremendous success!
